

INVITATION

to the online workshop “EU Missions for Climate Resilience and Smart Cities”

We are pleased to invite you to participate in an online workshop **EU Missions for Climate Resilience and Smart Cities** organized as part of the [HARMONMISSIONS](#) project. This event will focus on EU missions, namely **Mission 1: Adaptation to Climate Change** and **Mission 4: 100 Climate-Neutral and Smart Cities** and will explore how these missions can drive sustainable development in the Danube Region.

Workshop details:

- **Date:** 27 March 2025
- **Time:** 9:30 – 12:00 CET
- **Location:** Zoom platform

The workshop will include a detailed presentation of the HARMONMISSIONS project, discussions on the EU Missions and successful national and regional strategies. EU Missions' experts will share practical examples of climate-resilient actions and urban sustainability initiatives, highlighting how participants can take an active role in advancing these goals.

The workshop will also explore the Quadruple-Helix Approach, fostering collaboration between government, academia, industry and civil society to strengthen projects' preparation and implementation.

This workshop presents a valuable opportunity to explore how to effectively integrate EU Missions into national and regional strategies, while connecting with key stakeholders in the field.

To confirm your attendance, please complete the [REGISTRATION FORM](#) by **March 20, 2025**. If you have any questions, feel free to contact us at harmonmissions@sova.sk.

We look forward to your valuable participation and contributions!
